

BRAIN DAY
Congress

02.05.2025 - PROGRAM

Friday - Cuma

- 08:00 – 8:30 | Registration- Kayıt
- 08:30 – 9:00 | Opening Speech - Açılış Konuşması
- 09:00 – 10:00 | Session Speakers:

Prof. Dr. Sabino Luzzi, MD, PhD, FACSP - "The Transformative Impact of Augmented Reality in Brain Tumor and Vascular Surgery"

Assoc. Prof. Abuzer Güngör - "Minimal Invasive Approaches in Brain Tumors"

- 10:00 – 10:30 | Break - Ara
- 10:30 – 11:30 | Session Speakers:

Prof. Dr. Fatih Yakar - "Maximal Safe Resection in Brain Tumors"

Assoc. Prof. Emrah Egemen, MD, FEBNS - "Current Approaches to Intracranial Tumors Infancy and Early Childhood"

- 11:30 – 13:00 | Lunch - Öğle Yemeği
- 13:00 – 14:30 | Session Speakers:

Prof. Khalid Shah, Ms, PhD - "The concept of innovation and orchestration: Moving brain tumor therapies from bench to bedside"

Prof. Dr. Zane Jaunmuktane, MD, FRCPath - "Diagnostics of brain tumours with conventional and advanced molecular techniques"

Dr. Zeynep Firat, MSc, PhD - "Lastest Advances in Neuroimaging for Brain Tumor Detection"

BRAIN DAY
Congress

03.05.2025 - PROGRAM

Saturday - Cumartesi

- 9:00 – 10:30 | Opening Speech - Açılış Konuşması and Session Speakers:

Prof. Dr. Eduardo Ribas - “ Microsurgical Anatomy of the Central Core of the Brain”

Assoc. Prof. Sabri Gürbüz - “Surgical Management of Foramen Magnum Meningiomas”

Dr. Pınar Kuru Bektaşoğlu, MD, PhD - “Research and Future Directions in Neurosurgical Oncology”

- 10:30 – 11:00 | Break - Ara
- 11:00 – 12:00 | Session Speakers:

Prof. Dr. Esengül Koçak - “Radiosurgery for Brain Metastasis”

Dr. Ozan Haşimoğlu - “Stereotactic, Functional, Pain, and Epilepsy Surgery Neuro-oncology”

- 12:00 – 14:00 | Lunch - Öğle Yemeği
- 14:00 – 15:30 | Session Speakers:

Assoc. Prof. Hüseyin Biçeroğlu - “Microsurgical Neuroanatomical Principles of Human Glioma Pathways: Stepwise MRI Guided Dissection of Human Brain Nuclei and Fibers”

Dr. Gardashkhan Karimzada - “Endoscopic Transorbital Surgery = A new gateway to the Skull Base”

Dr. Gökberk Erol - “Neuroanatomy Education and the Lastest Developments in Neuroanatomy Education”

- 15:30 – 16:00 | Break - Ara
- 16:00 | Presentations - Sunumlar
- 19:00 | Gala Dinner - Gala Yemeği

BRAIN DAY
Congress

04.05.2025 - PROGRAM

Sunday - Pazar

- 10:00 – 12:00 | Workshops
- 13:00 – 15:00 | Workshops

- Hands-on Brain Dissection Workshop

Assoc. Prof. Abuzer Güngör

- Heart Dissection Workshop

Dr. Sevde Bekam and Dr. Dilara İlya

- Microsurgical Suturing Technique Under Microscope

Assoc. Prof. Sabri Gürbüz

- An introduction to Next Generation Sequencing and Bioinformatics

Dr. Halil Kurt

- Suturing Workshop

Dr. Rıdvan Erdem

- New Era in Neuroanatomy: Virtual Cadaver Laboratory

Dr. Hüseyin Akdemir

- Archery Workshop

SBÜ Archery Club

- The Medical Students Gateway to Research: A practical introduction to why research matters - and how you can be part of it

Meryem Hamam

- Perfume Preparations Workshop

Emirhan Şallı

- Neurosurgery and Neurology Beyond Borders

Stj. Dr. Çağla Çalışkan and Int. Dr. Ekrem Acar
